

ADVANCED REMOTE CONTROL SETTINGS FOR IQ2 AND IQ3.

Note: Please read the following instructions carefully before adjusting these settings.

STOP/POWER

Automatic Flush After the Lid or Seat Closes

1. Press and hold the **Stop/Power** button for 3 seconds to turn off the unit.
2. Once the unit is off, press and hold the Lid Open  button for 5 seconds:
 - **2 beeps** : Automatic flushing is enabled.
 - **1 beep** : Automatic flushing is disabled.
3. Turn the unit back on to save the setting.

Automatic Lid Opening

Press and hold the Lid Open  button for 5 seconds :

- **2 beeps** : Automatic lid opening is enabled.
- **1 beep** : Automatic lid opening is disabled.

STOP/POWER

FLUSH

Flush Cycle Adjustment

1. Press and hold the **Stop/Power** button for 3 seconds to turn off the unit.
2. Within 3 seconds, press the **Flush button** once to access the flush-cycle settings.
3. Use the   buttons to adjust the flush duration. Each increment changes the duration by 0.5 seconds. The display shows a setting from 5 to 12, with 5 representing the shortest duration and 12 the longest.
4. Press the Flush button to cycle through the following settings :
 - First press : **Top Flush**
 - Second press : **Bottom Flush**
 - Third press : **Tank Refill**
5. Turn the unit back on to save the settings.

STOP/POWER

FLUSH

Automatic Bowl Pre-Wetting

1. Press and hold the Stop/Power button for 3 seconds to turn off the unit.
2. With the unit turned off, press and hold the **Flush button** for 5 seconds :
 - **2 beeps** : Automatic bowl pre-wetting is enabled.
 - **1 beep** : Automatic bowl pre-wetting is disabled.
3. Turn the unit back on to save the setting.

STOP/POWER

Sensor Range Adjustment

1. Press and hold the **Stop/Power** button for 3 seconds to turn off the unit.
2. Within 3 seconds, press the Lid Open button to access the sensor-range setting.
3. Use the   buttons to select a sensitivity level from 1 to 5. A higher setting increases the sensor's detection range.
4. Turn the unit back on to save the setting.

BIENVENUE DANS L'UNIVERS DE VOTRE NOUVELLE TOILETTE INTELLIGENTE IQ2.

Ce guide interactif a été conçu pour vous permettre d explorer facilement, à votre rythme, toutes les fonctions offertes par votre télécommande. Grâce aux liens intégrés, vous pourrez visionner l'utilisation des différentes commandes et mieux comprendre le fonctionnement de chaque option. Prenez quelques minutes pour découvrir tout le potentiel de votre toilette intelligente IQ2 et profitez pleinement des technologies intégrées qui ont été pensées pour votre confort au quotidien.

WELCOME TO YOUR NEW IQ2 SMART TOILET.

This interactive guide is designed to help you easily explore all the functions of your remote control, at your own pace. Through the included links, you can view how each command works and better understand every feature. Take a few minutes to discover the full potential of your IQ2 smart toilet and enjoy the advanced technology designed for your everyday comfort.
